Dr. Janice L Pasieka C.M. FRCSC FACS Clinical Professor of Surgery and Oncology at the University of Calgary. Dr. Pasieka completed her medical degree at the University of Western Ontario followed by general surgical training at the University of Calgary. Upon completion, as a R. Samuel McLaughlin Fellow, Dr. Pasieka did fellowship training in Endocrine Surgical at the University of Michigan, Ann Arbor, USA (mentor Norman Thompson) and the Karolinska Institute Stockholm, Sweden (mentor Bertil Hamberger) . She returned to Calgary Alberta, Canada and spent her entire career focused on surgical diseases of the adrenal, parathyroid, and thyroid glands as well as neuroendocrine tumours of the GI tract.

Dr. Pasieka has served as Secretary-Treasurer and as President of the American Association of Endocrine Surgery (AAES). In 2021 she was awarded the prestigious Oliver Cope Meritorious Achievement Award from the AAES, in recognition of her substantial contributions to the field of endocrine surgery. She has also served as Secretary-Treasurer of the International Association of Endocrine Surgeons and in August 2024 became President of this Association. In 2024 she was given a Medal of Distinguished Service from the Alberta Medical Association, and in 2025 was the second recipient of the Dr. PB Allen Lifetime Achievement Award in Health from the Government of Alberta for her work in both endocrine surgical diseases and mentoring the next generation of surgeons.

In June 2026, in recognition of her role in establishing endocrine surgery in Canada, transforming care of endocrine surgical diseases throughout Western Canada by establishing multidisciplinary clinics in both NET diseases and Hereditary endocrine tumours, and the mentoring of many endocrine surgeons, Dr Pasieka was inducted as a Member of the Order of Canada.

To date, she has over 190 peer-review publications, is editor of three Endocrine Surgical textbooks and has written over 28 book chapters.
